AT&T Wireless holds a 18.6 percent ownership interest in PriCellular Corporation, which through subsidiaries holds controlling and minority interests in cellular and point-to-point microwave authorizations and operations.

A number of the AT&T Wireless-controlled licensees listed above have been granted Interim Operating Authority to provide cellular service.

Some of the foregoing cellular licensees in which an AT&T Wireless company holds a controlling interest also hold authorizations for point-to-point microwave facilities.

CMT Partners

Affiliates of AT&T Wireless and AirTouch Communications ("AirTouch") have entered into a partnership/joint venture arrangement that holds directly or indirectly cellular and point-to-point microwave authorizations. Through affiliates, AT&T Wireless ultimately controls 50 percent of CMT Partners. The interests of CMT Partners are as follows:

Call Sign	Permittee/ Licensee	Location	CMT Percentage Interest
KNKA400	Metroplex Telephone Company	Dallas-Ft. Worth, TX	34.00 ⁵
KNKA337	CMT Partners	Kansas City, MO/KS	100.00

STATEMENT OF PUBLIC INTEREST, CONVENIENCE, AND NECESSITY

The proposed transfer of control of ACC Network Corp, ("ACC"), as controlled by Teleport Communications Group Inc. ("TCG"), to AT&T Corp. ("AT&T") will benefit the public in numerous ways. Under the ownership of AT&T, TCG and ACC will continue to provide advanced and sophisticated telecommunications services. AT&T will devote its considerable financial, technical, and managerial resources to realizing the potential of TCG's operations and to expanding the variety and scope of TCG's services. AT&T will ensure that the public receives the full benefit of the innovative, cost-effective, and diverse telecommunications services that can be offered by means of TCG's operations and that the services of TCG and ACC are made available to increasing numbers of customers throughout the United States.

The operations of TCG and ACC also will enable AT&T to provide its customers an alternative means of accessing its telecommunications services. The operations of TCG and ACC will
